

# Yamaha 88-key Arranger Piano

**Brand:** Yamaha  
**Product Code:** YPG535

**Price:** \$799.00

## Description

Yamaha's YPG-535 adds to their popular Portable Grand Series - and it's packed with a host of great features, especially for its affordable price. There's a 6-track sequencer onboard for immediate song-building, as well as a music database of 267 setups, listed by song title to get your creativity flowing - plus it uses Flash ROM memory, so you can easily download more songs to your YPG-535. Its 88-key design is lightly weighted for a more natural feel, and it has 500 XGlite/GM Voices, as well as a high-quality Grand Piano sample for realistic piano sound with your Yamaha YPG-535.
