

# Yamaha Bluetooth Speaker System

**Brand:** Yamaha  
**Product Code:** NX-B55TI

**Price:** \$199.95

## Description

The **Yamaha NX-B55 Bluetooth Speaker System** can be used with PC and Mac computers, and offers wireless audio streaming. This speaker pair delivers up to 14W of total power, and incorporates 2.75" full-range drivers. Built-in Bluetooth connectivity allows you to wirelessly stream audio from devices such as iPods, smartphones, and tablets.

The NX-B55 speaker system includes a 3.5mm interface for connecting wired audio sources. A 3.5mm headphone jack is also onboard for personal listening. At 3.25" wide and 7.25" high, each speaker is designed to have a small footprint.

## Product Features

This speaker pair can be used with TVs, desktop computers, notebook computers, MP3 players,

smartphones, and tablets

Bluetooth and stereo 3.5mm interfaces with auto mix allow you to play two sources at once

Auto standby eliminates the need to turn system on and off

Convenient front-panel volume control and headphone jack

Integrated front bass port for enhanced sound

Automatic loudness control adjusts bass output to match the overall speaker volume

Incorporates metal speaker grilles

The cabinet structure is designed to deliver a smooth frequency response
