Brand: Seiko
Product Code: SNE423
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Price: \$350.00

Description

The Seiko Prospex SNE423 is sharp looking sport watch that features a compass marked black bi-directional bezel. The watch is powered by Seiko V157 solar powered quartz movement that uses light to keep it charged up and running. No batteries to replace. It comes in a 45.6 mm stainless steel case secured to your wrist with a black rubber strap. The watch has a 6-month power reserve when fully charged, an energy depletion warning function, and an overcharging prevention feature.
